

READINESS FOR HOME SCHOOLING: SURVEY FOR PARENTS AND CARERS

As the Coronavirus (covid-19) has disrupted the work of schools previously, your school would appreciate your feedback on enabling students to learn at home in case of any external threats leading to temporary closure of schools in the area.

With 290 million children worldwide, currently out of school due to the coronavirus, we are keen to ensure that we can provide home learning resources to our school community, should we face school closures in our area.

General readiness

1. How easy or difficult would you find it to set up alternative child-care provisions, if the schools closed?
